What a lovely creature

On the first day of his new, part-time job at a bookstore, Shinobu encountered another staff member, Kobayashi-san. This guy turned out to be Shinobu's favorite type - a small, cute one who looked just like a baby ♥

-----No, wait! Calm down! Be a man!

Kobayashi is a man. A genuine man

No matter how sweet he can be,

Falling for a man is still...

But, well... if it were

Kobayashi-san, perhaps...

A clumsy, yet touching love,
Filled with ♥ scenes

◆ ◆ ◆

I'm so head over heels in love with small things that at the moment, I'm secretly running a "Tiny Things Club" all on my own... I also love watching pocket-sized pictures (Though drawing them might be horrible?)
